New Job Status Names

(#1 Priority from 2022 User Group Poll Results)

New User-Intuitive Job Status Names

Old Status Name	New Status Name
Listed	Active, Listed
Review	Active, Not Listed
Storage	Inactive
Pending Approval	
Deleted	

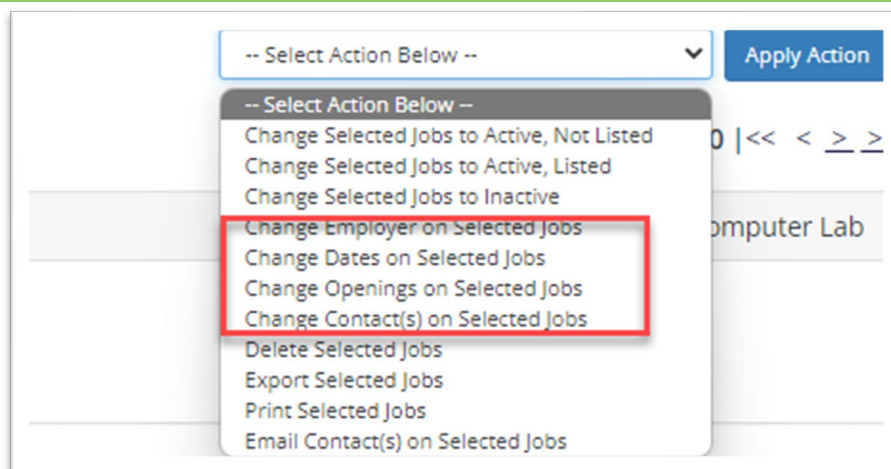

Job Status:

- ☐ Active, Listed Jobs (120) ?
- ☐ Pending Approval (16) ?
- ☐ Active, Not Listed (16) ?
- ☐ Inactive (8) ?
- ☐ Deleted (13) ?

New hover over Information ? tool tips to help users understand the definition of each status.

Increased Mass Transactions for Supervisors

- Your site can now be customized to enable supervisor access to perform the following mass transactions previously only offered to Administrator users:
 - Contacts
 - Employers
 - Openings
 - Start and End Dates
 - Wages

Important Note: If supervisor changes require approval, these mass job changes will be sent to the pending approval queue for admin review and approval.

Site-Wide Updates
